

Top 5 Free Online Bible Study Tools

1. www.BibleGateway.com

There are so many great resources on this site for Bible students, it's hard to know where to start. I highly recommend you begin with their helpful tutorial at www.BibleGateway.com/help/tutorial -- so you can learn the basics of navigating the many Bible study resources available on this site.

2. www.e-sword.net/

I can't believe this Bible study tool is free! It's rich in features yet user-friendly; both fast and powerful, providing access to different Bible versions, commentaries, dictionaries, devotions and classic Christian books from authors such as Charles Spurgeon and Andrew Murray. Join the **25 million users** from 230 countries who have downloaded this dynamic resource to enhance their time in the Word.

3. www.BibleStudyTools.com

Another wonderful resource to deepen your understanding of Scripture. There is a boatload of excellent study aids on this site: Commentaries, Bible dictionaries and encyclopedias, concordances, Hebrew and Greek lexicons, Bible reading plans. Bible study resources for laymen and clergy alike – this site is jam-packed.

4. Spurgeon's "Treasury of David" at

<https://archive.spurgeon.org/treasury/treasury.php>

I start my day by reading a psalm, and then I like to read this classic to increase my understanding of that psalm. Written by the renowned British preacher, Charles H. Spurgeon, this is an in-depth verse-by-verse commentary of every chapter in the Psalms. It is filled with insights that will take your appreciation of each psalm to a new level. This resource is available on many websites, but I like this site best because it has not only "Treasury of David", but many other Spurgeon writings and sermons.

5. "Grace To You" at www.gty.org

If you like to study the Bible one book at a time, one verse at a time, then this website is for you. Over the past 40 years, John MacArthur has preached through every book of the New Testament, verse-by-verse. And every one of those sermons is available on this site for free in multiple formats – you can listen online, download the MP3, or read/print a written transcript. MacArthur is arguably the most thorough Bible preacher of our generation – his in-depth teaching style will enrich your soul and draw you closer to King Jesus. There are many excellent resources on this site, but if you are looking for good Bible teaching, first visit the sermon archive at www.gty.org/resources/sermons
